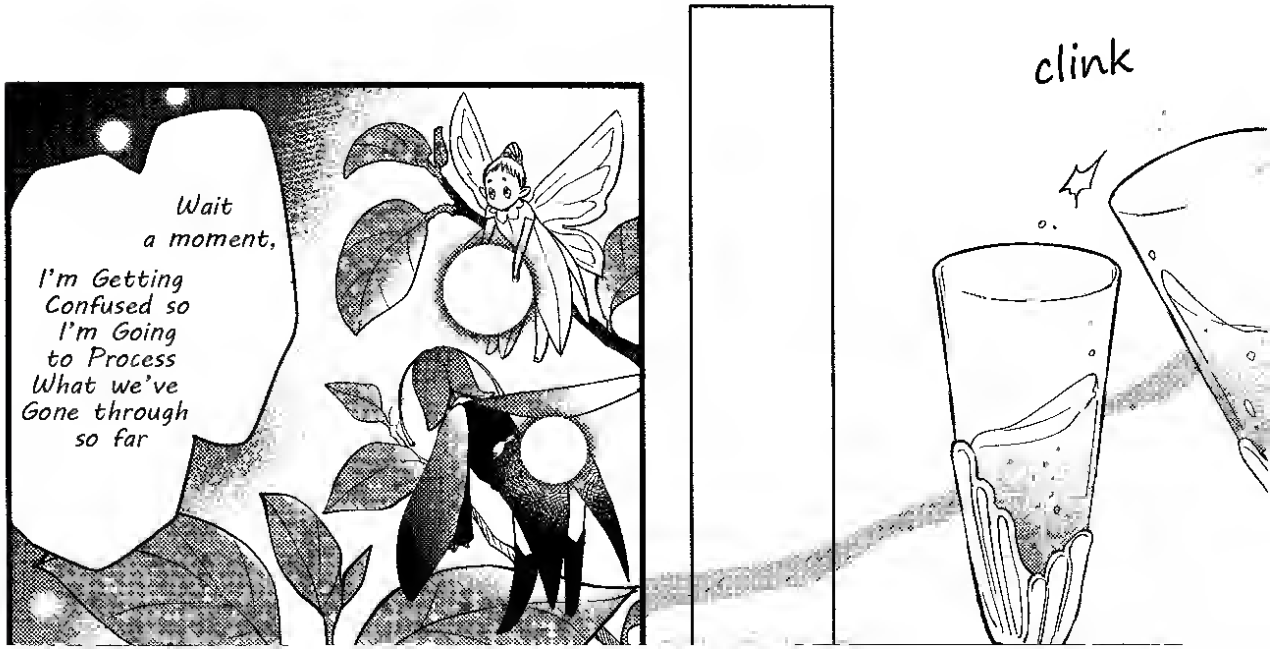
...By Lucifer's Side
The one Who understands his will Better Than anyone else
Court Chancellor -Samael
He's the One Doing the Emperor's Work

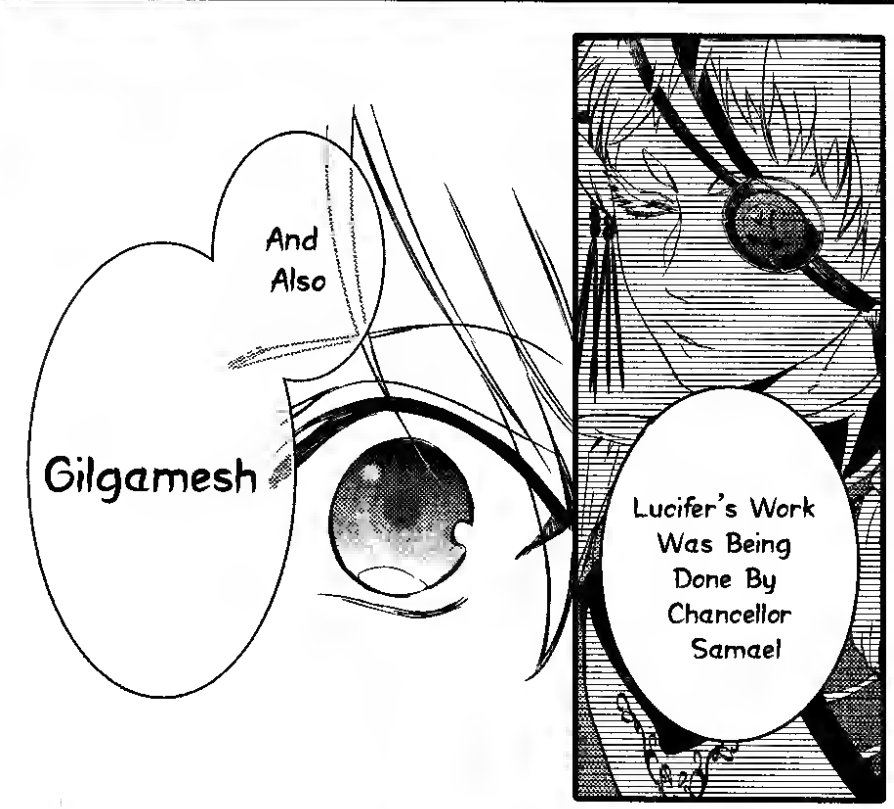
LET'S THINK ABOUT OUR NEXT STEPS
IF THEY ARE PARTNERING WITH HEAVEN THEN WE SHALL PARTNER WITH ENEMIES



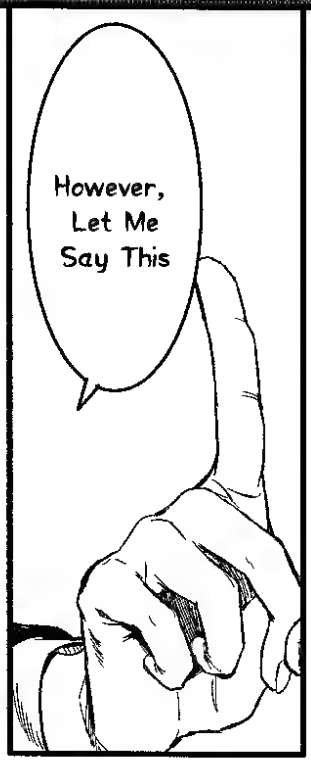
clink
Wait a moment,
I'm Getting Confused so I'm Going to Process What we've Gone through so far

Consequently, Dantalion and Camio Fight
Don't Joke With Me!
Why Would They Have To Do Something Like That
In Hell, The Emperor Finally Seems Like he's Going To Die
That Hasn't Changed
Thus, The Emperor Tried To Determine The Strongest Demon
Well, For Dantalion, Camio has killed Baphomet,
Whilst On the Other Side, Camio almost Had his Most Beloved Maria Taken Away...
So because Of that, Someone Has Made Heaven Move?
And That's Metatron?
Why Would Metatron Do Something Like That?
Because He'll Be Able To Grip On Authority in Heaven if Either Dantalion or Camio is killed?
But Won't That Only Determine The New Emperor Of Hell?

That's it Exactly
That Probably isn't Metatron's aim
Unfortunately, I'm a bit Thin On information About Heaven
I can't Be Certain About Why he's Done What he's Done



And Also
Gilgamesh
Lucifer's Work Was Being Done By Chancellor Samael



However, Let Me Say This

GILGAMESH !!
That shady muscle head!!

COVERING THE GROUND WITH FACTORIES AND SPREADING DISEASE.
THEN WHAT?
SO I GET THAT SAMAEL IS THE MASTERMIND. BUT
WHERE DO THE FOUR HORSEMEN FIT IN?
But Only This Time, I Feel That There is Some Connection Somewhere
The Activities Of The Four Horsemen Have No Relation With Heaven Or Hell
Originally, That is
DASH
William! Isaac!!
SURPRISE
SHUDDER
...Is There Someone Like That?
Someone Who Can Lead Both Heaven and Hell By Their Noses..
SHUDDER

BOOM

WHOOSH
Didn't You Return To Your Original Home...
My apologies, Young Master I Had Nowhere Else To Escape To...
Kevin !?

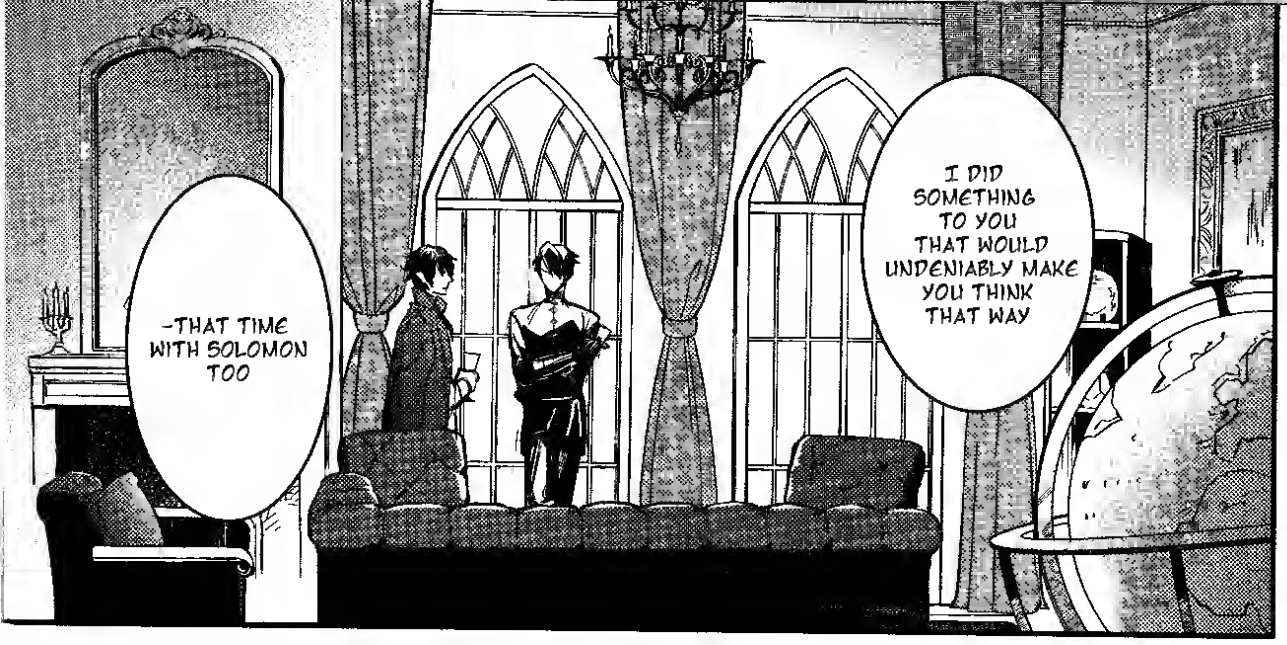
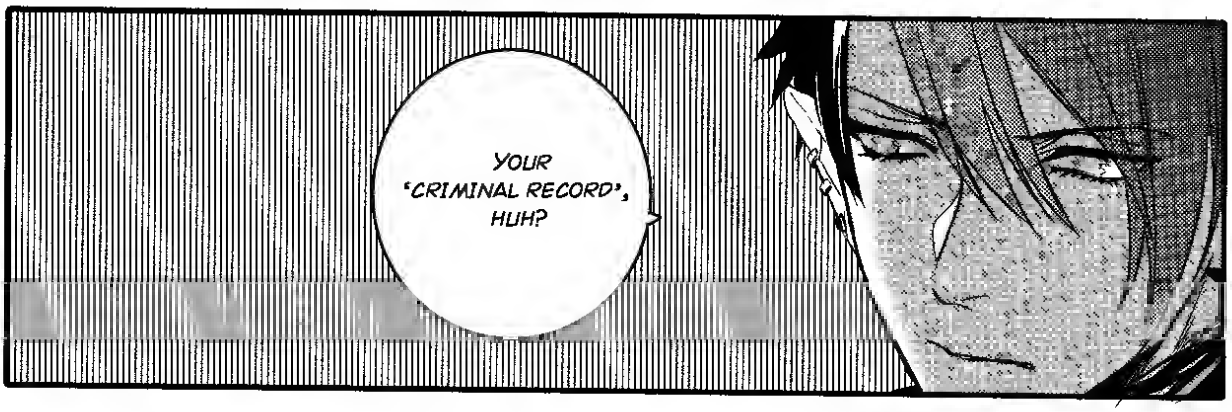
DANTALION AND CAMIO, THE TWO SPECULATE...

UNTIL I REALISED THE EMPEROR'S SCHEME
I THOUGHT SO

...THE TRUTH IS, ORIGINALLY, I WAS THINKING ABOUT HOW I COULD KILL MARIA





That time When Uriel, in Order to Summon Solomon's Soul, hunted Down those he loved

To them
You Recommended -Cups Of Poison
IF YOU DIE BY USING UP YOUR LIFE SPAN, YOU'LL BE WELCOMED INTO THE KINGDOM
YOU'LL NEVER SEE SOLOMON AGAIN
You ingeniously Struck first Against Uriel

BUT THAT WAS ALSO A BETRAYAL
YOU LEFT SOLOMON ALL ALONE
CAMIO
THAT'S WHY YOU LET MARIA FALL INTO HELL, HUH?
TO MAKE ME SUFFER THE SAME FATE.....
YOU SEEM RATHER MEEK ABOUT IT
I WAS THE ONE WHO WAS BEING PLAYED INSTEAD

...I've Always Been Bearing a grudge against Lucifer
Thinking That it'd Only Be Just For Him To Receive Retribution For abandoning My Mother
But Following That Logic, losing Maria is also Comeuppance
If you're The One Pulling the Strings From Behind... That is
It's Not Me
The One That informed Heaven's Army Of Maria's location and Made Them Mobilise Lies Elsewhere
...It's Not Baalberith
It's Not
Although He's Hiding it, He Too

Now, if He Overworks Himself, He'll Cease to Exist
Recently, the Scent Of Heaven Has Been Drifting around Sitri
I've also Heard that Currently, His Whereabouts are unknown
Could it Be that Sitri Has?
-is Approaching His Sleep

Rebelled against Baalberith
While not of His Own Volition
Metatron

What For?
William's Ex-fag...
His Aim Wasn't William
It was Sitri
Putting aside That He Was Exalted By an Archangel, Metatron Was Originally just a canonised Person
He Doesn't Have Enough Authority to Control Heaven
Are you Saying that Sitri is that authority then?
That being Baalberith's Nephew Was a lie
and instead, He Was Originally a high-ranking Angel then it Would Make Sense
Metatron Wants to Spread a Puppet Government after cornering Michael
Lucifer Wants us to Fight Before He Dies
Their interests Match
